

## Summer Employment Information

Jameson Camp serves youth between the ages of 5 and 18. We serve all children, but we work to make camp possible for those who would not otherwise receive a camp experience. Campers are referred to us for social and emotional needs ranging from low self-esteem and minor behavioral problems to needing a positive role model or a break from a chaotic home life. If you would like to spend this Summer providing a fun, positive experience for children of all ages and backgrounds, then consider one of the positions in our **Joblistings**.

### DATES

#### **Leadership and Specialty Staff:**

May 13 - July 31, 2019

#### **All Staff:**

May 20 - July 30, 2019

(Breaks scheduled between sessions)

#### **COLLEGE CREDIT & INTERNSHIPS**

Check with your college or university about earning credit hours for experience gained at camp. Internship applicants are welcome.

### *From our summer staff...*

~~~~~  
"I got to work on so many different skills, from **communication to planning to time management**. Personally, I also learned a great deal more about **empathy** and seeing the best in people, as I worked with the wonderful people at Jameson Camp."

~~~~~  
"**Working at Jameson cemented my wish to work with children and helped me learn new, fun ways to interact with them.**"

~~~~~  
"I thought it would be relaxing & fun all summer. I did have fun, but I didn't relax. This job is so involved emotionally & physically. It was quite the learning experience & my best summer yet."

~~~~~  
"I never went to camp as a kid. After working at Jameson, I really wish I had – especially at a place like this."

~~~~~

\*\* Time Off and Days Off can be scheduled around weddings, family matters, etc. with advance notice

## Goals

Each of our programs is packed full of fun activities to create a memorable experience for each child. Jameson's programs are developed to offer a progression of experiences that foster:

- Responsibility – developing leadership skills and being accountable for one's own behavior
- Improved decision-making skills – thinking for one's self and making appropriate choices
- Positive self-concept and increased self-esteem – recognizing and appreciating personal strengths, talents and values
- Interpersonal skills and citizenship – making friends and respecting the rights of others
- Environmental concern – appreciating one's natural surroundings

~~~~~  
 "I gained confidence in my ability to teach and connect with children. I stepped out of my comfort zone. As a professional, this experience solidified my goal to be a teacher."
